

IMPACT SHOJI BANNER

Bring style and sophistication to your booth with the Impact Shoji Banner!

The Shoji banner has a unique effect with its 3 dimensional sides helping you make the most of available space and your presence.

The graphics can easily be replaced to match your current promotional campaign.

The Shoji banner can be attached to the legs of your canopy or used free standing. The 7.5 ft banner has been engineered with anodized aluminum poles making it light. The banner comes equipped with an x-stand for indoor use and a spike stand for outdoor use.
